Dear Potential Creditors of the Monitorship Estate

On Friday, July 8, 2022, we sent to you and you should have received a communication which provided you to a link to the Claims Package – that email was sent to you from info@bergersingerman.com. Please check your spam folder if you did not receive the email in your Inbox.

The Claims Package advised that the **Claims Bar Date is August 31, 2022**.

We also sent an Update/FAQ to you on Tuesday, July 12, 2022.

This communication is a reminder of the Claims Bar Date (August 31, 2022) and reminds you that your Proof of Claim must be received and/or postmarked by August 31, 2022 if your claim is to be filed timely.

If you did not receive the July 8, 2022 email with the Claims Packet link, you can visit my website and obtain the Proof of Claim Form and view the various Claims Packet documents – please click here: <https://nationalseniormonitorship.com/claims-process-documents/>

If you are a member of the Class Action, you should have received correspondence from Scott Silver, Esq. dated August 19, 2022 advising:

The Monitor has created a claims process to distribute any funds that are recovered. We do not represent you in the monitorship and we have not submitted a proof of claim form on your behalf. In order to submit a proof of claim form, please go to the monitor's website. Any questions regarding the proof of claim form should be directed to the monitor. Failure to submit a proof of claim form may result in you not receiving money from any future distribution.

If you have already completed and submitted your Proof of Claim Form, you **do not** need to take any further action at this time.

If you have additional questions, please feel free to send them to us and we will respond.

Very truly yours

Daniel J. Stermer
