As you can see, as of this day, our time on this earth, is limited. (We all have medical issues)

We have a "class-action" suite represented by Daniel J. Sterner at 500 W. Cypress Creek Blvd. Boca Raton, Fl.

Please, please settle this terrible case as soon as possible!!

We were duped!!

We thought we would be comfortable in our old age - but this has not been possible!!

I hope you consider this case and settle it soon!

Sincerely,
Alice Nisun
